**PETITION TO WITHDRAW HOLDING OF ABANDONMENT  
[37 CFR 1.181]**

To the Honorable Commissioner:

Applicant herewith responds to the Notice of Abandonment mailed on August 22, 2005.

1. Applicant, by its undersigned counsel, having personal knowledge of the facts, petitions that the holding of abandonment be withdrawn because the application is not in fact abandoned. A proper reply to the notice of allowance mailed on March 11,

2005 was filed by facsimile transmission to the United States Patent and Trademark Office on March 18, 2005.

2. A copy of applicant's response, sent by facsimile, [3 pages] to the notice of allowance mailed on March 11, 2005, including Form PTOL-85 authorizing payment of the issue fee and the publication fee, is attached hereto as Exhibit A.

3. Before a facsimile transmission is allowed to be sent from applicant's attorney's office, the relevant client/matter number and an attorney identification must be entered by keypad into the facsimile machine. The information entered is simultaneously transmitted to the firm's master data base which authorizes use of the facsimile machine based on the input criteria. After the facsimile machine receives authorization from the data base, transmission of the facsimile is allowed. The data base monitors utilization of the facsimile machine, and a record of the facsimile information as sent is preserved in the firm's master data base associated with the client, the matter and the attorney transmitting the facsimile.

4. In the instance of the present application, the firm's client/matter number, 3994994-131915, corresponds to the Attorney's Docket No. 3994994-131915-2 used in correspondence with the USPTO regarding the present application. Undersigned counsel's firm identification number is 23.

5. Confirmation of the transmission by facsimile of the March 18, 2005 response to the notice of allowance is verified by records of facsimile charges maintained by applicant's attorney's firm's master data base in the regular course of business.

6. A copy of the relevant record showing facsimile charges incurred by undersigned counsel, "E. Baranowski (0023)", on March 18, 2005 in the account of the assignee of the application, client/matter number 3994994-131915, is attached hereto as

Exhibit B. [Billing and accounting information relating to the assignee, other than items showing proof of transmission, is attorney/client privileged and/or confidential business information and is deleted from Exhibit B.]

7. Exhibit B, relating to client/matter 3994994-131915 shows the items relating to the facsimile transmission of March 18, 2005 and replenishment of applicant's firm's Deposit Account in the amount of the fee authorized by Exhibit A:
